Nurturing skills | Changing lives

JOB DESCRIPTION (Draft)

ROLE TITLE:	Steps2Work Wellbeing Co-ordinator
LOCATION:	Spelthorne Hub and community, with some home working
HOURS:	1 x 15 hours post (Spelthorne) With some flexibility/twilight work and evening training. Must include a Wednesday
INTERVIEW DATE:	TBC

Surrey Care Trust is a local charity that helps people to improve their skills for life, work and learning through counselling, education, mentoring and volunteering. Our programmes support disadvantaged families in improving their chances in life. Through our programmes we are enabling people throughout Surrey to overcome the disadvantage of low skills, poor educational achievement, limited opportunities and tough financial circumstances.

We offer a broad range of programmes - support for families and their children at our **Stanwell Family Centre**; offering vulnerable and challenging young people an alternative approach to education at our **STEPS** learning centre; a free and independent youth **counselling** service for young people aged 16 – 25; **mentoring** young people and adults to help them gain confidence and make positive changes; improving mental health and wellbeing through our nurture through nature programme at **Gateway** and **Outside and Active**; working to bring the community together and taken action on local issues with our **Stanwell Local Conversation** project; supporting 18-24's into employment through **Steps2Work** in Woking; and creating a different environment for people to learn new skills and give something back to society on our **Swingbridge Community Boats**.

Surrey Care Trust has been appointed by Surrey County Council to deliver our project 'Steps2Work Wellbeing. We will offer mental health support based in 3 key areas: Stanwell (Spelthorne), Woking and Reigate & Banstead (also reaching clients from Epsom & Ewell, Mole Valley & Tandridge).

We aim to reach people of all ages whose employment situation has been impacted by their mental health, or whose mental health is worsened by unemployment.

Our Vision

Surrey to be a place where vulnerable and excluded families are given the opportunity, skills and support to achieve their potential and make a positive contribution.

Our Mission

To tackle disadvantage, social exclusion and hardship in local communities. To reach out to families to equip them with the skills to improve their economic situation, to reduce social isolation and break the cycle of disadvantage.

Overall purpose of the role

Our project 'Steps2Work Wellbeing' will sustainably improve the mental health of the unemployed, combining 1:1 support from trained staff with long-term volunteer mentoring & nature-therapy: a holistic combination that significantly improves existing fragmented support.

Working to support the Steps2Work Well-being Assistant Co-ordinator and Assistant Manager as part of a friendly and supportive team to manage referrals, recruit, train and support a bank of volunteer mentors who will be matched with people within a specific Hub area; and to directly support clients. Working collaboratively with all team members and external agencies you will work to build relationships with referring partners, local employers to achieve objectives and meet contract targets.

You will improve the well-being and employment/volunteering opportunities for clients who are referred to the Hubs by understanding their individual needs and aspirations, facilitating group work in our Nature through Nurture programmes, agreeing goals and targets towards reaching them and working alongside them to support them in gaining the necessary confidence and skills. Signposting them to relevant organisations and monitoring progress. Through this exciting role, you will have the opportunity to work with a broad range of individuals, volunteers, and external agencies to make a real difference to peoples' lives.

Duties and Responsibilities:

- Manage a caseload of participants requiring additional support to improve their well-being, education, or employment/volunteering.
- Assess clients' existing situation, aspirations and strengths/weaknesses and help establish realistic goals and action for them to work on, providing encouragement and guidance as needed.
- Provide consistency and continuity of service for people attending the Hub.
- Support group work around personal development and confidence for a small number of clients to be delivered at one of our Nature through Nurture Programmes alongside your team.
- Recruit, train, support and manage volunteer mentors from a range of backgrounds.
- Match volunteer mentors with clients
- Attend, train and support volunteer mentors and mentoring meetings/ training as required

- Respond to safeguarding concerns, reporting to Designated Safeguarding Lead and liaising with mentors accordingly.
- Complete, and report on participant files/data/outcomes and liaise with the Steps2Work Wellbeing Administrator/Co-ordinator to ensure all data and recording systems are retained in an appropriate format
- Help with collecting case studies and reporting on successes to share with the funder, SCT and Board.
- Explore employment and volunteering opportunities that may be suitable for clients; linking in and building relationships with potential placement providers and actively seek referrals as necessary.
- Carrying out initial assessments, ID and employment check status
- Any other duties commensurate with the role

Please note you will be required to undertake DBS clearance for this role
