# ABOUT SCT VOLUNTEERS

We are the leading local charity working with over 300 trained volunteers.

Volunteers power everything Surrey Care Trust does and represent the very best of our community spirit, bringing compassion and dedication to every role.

Our volunteers provide life-changing lifelines that restore hope and dignity to those we support, as recognised by the Queen's Award for Voluntary Service, which was awarded to the volunteer crews of our Swingbridge Community Boats.

Together, we make our communities places where people can achieve their potential.

**Being a volunteer helped me to improve my confidence, and engage with others - we both benefited from something rewarding.**

# VOLUNTEERS IN NUMBERS

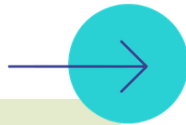

**£462,000–£555,000**

is the estimated annual  
value given in skilled  
labour to our communities

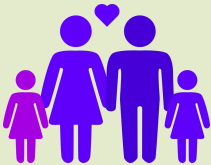

**23,000 hours**

were volunteered  
across Surrey last  
year, supporting  
nearly 5,700 people

**4,800 hours  
of training**

provided across a  
range of issues

*While time is essential,  
volunteers bring so much more.  
From healthcare professionals  
to business leaders, educators to  
community connectors and  
problem solvers, our volunteers  
bring a depth of skill and  
experience that transforms  
what's possible.*

Volunteering has changed my life. I get a lot out of it as well as putting a lot in for everybody else...

I never thought I'd volunteer for anything, but I've thoroughly enjoyed it... sharing skills, learning skills. For me, it's been a lifesaver.

**Be a part of our community.**

We are always looking for people who want to make a real difference in Surrey's communities. Whatever your background or your availability, there is a role for you.

**Work with us**

We collaborate with statutory partners and local businesses to deliver measurable social impact and are looking to connect with others to co-create high-value solutions for vulnerable people.
